Seeking LOVE...

Welcome to the solo exhibition of Banele Khoza. This young artist is the recipient of the prestigious Absa L'Atelier 2017 Gerard Sekoto award. As part of his prize sponsored by the French Institute in South Africa and the Alliance Française, Banele spent three months at the Cité Internationale des Arts in Paris in 2018 giving him the opportunity to gain international experience and exposure.

The exhibition is a response to Banele's obsession with love. It is a visual interpretation of his 10 year quest for love and an exploration into the reason why love has constantly been on his mind and lips.

What have I learnt about love?

Love without counting, love wholly and not expect, love comes in multitudes, it is not only where you expect it.

For love to happen you need to show up, if you do not show up, how will it see you?

Do not fear.
Love will come to you,
It will find you in your corner
Love will be reciprocated

Love heals
Love bears life
Love wilts
'Love' kills

Love liberates
Love is kind
Love isn't a question
Love is
Love is peaceful
'Love' hurts
'Love' is possessive

Love is the sun showing up
Love is the sun setting
Love is community
Love is a way of life
Love is a process
Love is mindful
Love is your soul
Love is listening
Love is service
Love is praying
Love is art
Love is infinite
Love is God

I love love
I love loving
I am love

I Love me
I Love you
I Love us
Love All

Learn to trust
Let go

I have been Seeking LOVE (God).
