

ReadytoWork

**Future ready
yourself for the**
workplace of tomorrow.

Yesterday's skills won't cut it in tomorrow's world of work.

So future ready yourself with the emotional and digital skills you need to get ahead in the game by downloading the ReadytoWork App, today.

Absa ReadytoWork is an education and skills development initiative designed to help young people go from learning to earning. Simply register via the ReadytoWork App and get access to online career guidance, skills-related short courses and job search tools. Take advantage of a wealth of knowledge and resources to boost your employability and develop the skills that many people don't have and weren't taught in school.

Level up your skills like a boss

Once you've registered via the App, you can access our online ReadytoWork training courses for free.

In the Learning Hub, you'll find our core training courses:

- Work Skills, to get yourself work ready.
- People Skills, to find ways of working together and understand people's emotions.
- Money Skills, to help you manage your money.
- Entrepreneurial Skills, if you dream of running your own business.

You can also explore more advanced courses like Blockchain Technologies and Computational Thinking (developed by a leading South African university), among other courses that are constantly being added.

Kickstart your career the smart way

Your most rewarding career is one that is best suited to your interests, skills and personality. Maximising your potential and making informed decisions will help set you on the pathway to career success.

Being a registered ReadytoWork user has its benefits. Via the Career Hub, you'll have access to tools, resources, articles and videos, and much more. And, once you've aced your tests and boosted your skills, you can find your dream job with the **Job Search** tools.

It also unlocks **free** access to Online Career Guidance, an online solution that provides you with valuable guidance to help you make informed and realistic choices. Own your career journey with the free online career guidance assessment, gain insight into the world of work and learn about the jobs of the future – and the skills needed to fulfil them.

Other ReadytoWork benefits

- Connect and network with a community of like-minded people who are also registered on the ReadytoWork App and know how to make it work for them.
- Be the first to hear about new courses, masterclasses and other features exclusive to Absa ReadytoWork users.
- Celebrate your success with insta-worthy Certificates of Completion for each course that will make your CV unskippable.

Being ready to work.
That's Africanacity.
And we're here for it.
