

2022 REGIONAL Certification Press Release

20th JANUARY 2022

Absa is recognised as a Top Employer 2022 in Africa

Top Employers Institute has officially announced their 2022 regional Top Employers and we are proud to announce Absa as a Top Employer.

Each year, Top Employers Institute certifies organisations who are focused on putting their people first through their exceptional HR policies.

The Top Employers Institute programme certifies organisations based on the participation and results of their HR Best Practices Survey. This survey covers 6 HR domains consisting of 20 topics such as People Strategy, Work Environment, Talent Acquisition, Learning, Well-being and Diversity & Inclusion and more.

Top Employers Institute CEO David Plink says: "Reflecting on the demanding year that has, like the year before it, impacted organisations across the world, Absa has continued to show that it prioritises maintaining excellent people practices in their workplace. In the past year they continued to meet the challenges of the wider world of work while working determinedly to positively impact the lives of their workforce. We are pleased to celebrate and applaud the organisations that have been certified as Top Employers in Africa this year."

The programme has certified and recognised more than 1857 Top Employers in 123 countries/regions across five continents.
